### Important information for vehicle owners

- **Certificate of Registration:** Every person operating a motor vehicle shall have the Certificate of Registration for the motor vehicle and/or trailer, in the vehicle, in some easily accessible place. The records of the RMV constitute the official status of the vehicle registration.
- **Change of Address:** By law, you must report any change of address to the RMV within 30 days. Visit [mass.gov/rmv](http://mass.gov/rmv) to change your address. Once you have reported the address change to the RMV, please write corrected address in box provided above.
- **No Insurance Card Required:** Massachusetts law does not require an insurance card. M.G.L. Chapter 90, Section 34, and Chapter 175, Section 113A, requires the vehicle's owner to maintain a compulsory motor vehicle liability insurance policy or bond for bodily injury coverage and property damage insurance. The insurer is required by law to electronically notify the Registry of Motor Vehicles if coverage lapses. The vehicle owner is then notified by the RMV to obtain new insurance within 10 days or the registration will be revoked. Bonds are filed with the State Treasurer's Office.
- **Transferring Your Plates:** Massachusetts General Law (M.G.L. Chapter 90, Section 2) allows you to transfer valid registration plates from this vehicle to a newly acquired new or used motor vehicle or trailer while you obtain insurance and a new registration. See the Transferring a Registration Section on the RMV's website at [mass.gov/rmv](http://mass.gov/rmv) for more information.
- **Cancel the registration plates if:**
  - The vehicle has been sold or junked and the registration is not going to be transferred to another vehicle.
  - You move to another state and you register the vehicle in that state.
  - The insurance policy is not renewed or is cancelled and there is no plan to obtain a new policy.

Skip the Line, Go Online! Visit [Mass.Gov/RMV](http://Mass.Gov/RMV) for list of available transactions.

**Glossary****Accident Indicator**

CARFAX receives information about accidents in all 50 states, the District of Columbia and Canada.

Not every accident is reported to CARFAX. As details about the accident become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- According to the National Safety Council, Injury Facts, 2021 edition, 5% of the 276 million registered vehicles in the U.S. were involved in an accident in 2019. Over 77% of these were considered minor or moderate.
- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 3/31/25 at 2:33:55 PM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

**First Owner**

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

**New Owner Reported**

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

**Ownership History**

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

**Title Issued**

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
